DRCOG seeks feedback on its '24-'27 Transportation Improvement Program

DENVER — The Denver Regional Council of Governments is seeking public input on its 2024-27 Transportation Improvement Program. The multi-member agency, comprised of local governments within the Denver metropolitan area, has identified more than 100 transportation projects set to receive funding during those years. The program identifies and backs projects that are important and valuable not only to the region, but to each local government. The program is funded by federal and state transportation money and selects projects submitted by Adams, Arapahoe, Boulder, Douglas, Jefferson and Weld counties, and the cities and counties of Denver and Broomfield.

TRAFFIC LIGHTS

FROM PAGE 1

tion. “We discovered we needed to do some additional work and procure some additional components to ensure proper operation of the signals,” Town Manager Trish Stiles told the Bennett Board of Trustees July 11. Stiles told *The I-70 Scout* July 13 that contractor Morton Electric was working that day to complete the additional items needed to get the stoplight functional. “I don’t have an exact time frame, but I expect we should be up in a couple weeks depending on CDOT and CORE’s work and approvals.” Stiles added that the project is important for the safety of drivers and that she and the town board are equally as frustrated as the public. “This signal project has been so important to me personally as well as the [mayor and trustees],” she said. “We want to get it up and running as soon as possible, but it does require partnership. We are subject to partners’ time frames and work schedules. We have had a great team of people working on this project and we appreciate their assistance in getting the signal completed.” The July 11 board meeting also included discussion on grants the town has been awarded. The board passed resolutions approving three Open Space grant agreements between the town of Bennett and Adams County. The grant awards announced June 27 include:

- \$225,000 toward Trupp Park Phase VI improvements to add additional lighting, expand the skate park, and finalize the landscaping. Over the last seven years, Open Space grants have been utilized to improve drainage at the park; build a new playground, skate and bicycle playground and play field; add a new grandstand; and repair trails. The grant covers 60% of total project costs;
- \$140,000 to replace the asphalt portion of the Highway 79 trail with an eight-foot-wide concrete section from Muegge Way to North Marketplace. The grant covers 70% of the total project costs; and
- \$25,000 towards the purchase of portable bleachers for outdoor community events. The grant covers 50% of the cost of the bleachers.

Stiles also announced the town was recently notified of a Federal Emergency Management Agency (FEMA) grant award through Adams County for a generator at the

North Municipal Complex that houses the Public Works Department. In other business, the board approved a resolution terminating the lease agreement between the town and Broken & Beautiful Bennett animal shelter. The lease for 47300 County Road 38 was signed in October 2022 by Gina Yeater and the town of Bennett with the intention of forming a partnership to provide sheltering services for impounded animals at the old north shop at the rear of the town’s wastewater facility. The lease termination was requested by Yeater and previously discussed by the board in executive session. In a study session before the regular meeting, the board celebrated the recipients of the 2023 Bennett Gives Back grant. The six organizations receiving funding for projects and resources included:

- Hearts, Hands and Hope Foundation for daily operations;
- Bennett Performing Arts Booster Club for performing arts center upgrades;
- Bennett-Watkins Fire Rescue for fleet facility road base replacement;
- Bennett School Career & Technical Education for its EMS program;
- Bennett Baseball for field upgrades; and
- the Corridor Creative Arts League.

Stiles reported the town received two awards from its insurance provider, CIRSA (Colorado Intergovernmental Risk Sharing Agency) — the Safety Champion Award 2022 for outstanding management of a safety program and the Property/Casualty & Workers Compensation Loss Prevention Award 2022 for outstanding management of a loss control program. The latter award was based on the town’s loss control audit on which it received a perfect score of 108, which included eight bonus points. “These are awards for the staff and all the hard work they have done,” said Mayor Royce Pindell, noting that Bennett Safety Officer Gerilynn Scheidt led the efforts. “We’ve tried to engage the staff in safety in different ways to make sure we all take it seriously,” Stiles noted. The next regular meeting of the Bennett Board of Trustees starts at 7 p.m., Tuesday, July 25. Meetings are held at town hall and can be attended virtually via Zoom.

**New judge named for 18th Judicial District**

DENVER — Gov. Jared Polis July 14 appointed Victoria E. Klingensmith to the 18th Judicial District Court. Klingensmith is presently the senior chief deputy district attorney in the 18th Judicial District, a position she has held since 2020. She is also an adjunct professor at the University of Denver Sturm College of Law, a position she has held since 2018. Her practice consists of criminal law. Klingensmith previously served as chief deputy district attorney (2016-20); senior deputy district attorney (2011-16); and deputy district attorney (2004-11), all in the 18th Judicial District. She was also a law clerk in Jefferson County (2003-04). Klingensmith received a bachelor’s degree from the University of Denver in 2000 and her law degree from the University of Colorado Law School in 2003. The vacancy is created by the retirement of Cynthia D. Mares and is effective Sept. 1. The 18th Judicial District serves Arapahoe, Lincoln, Elbert and Douglas counties.
